**Jane Austen: Pride and Prejudice**

The story takes place in the 19th century in the English province. The quiet life of a village it upset by Mr. Byngley's and his family's arrival. He is a rich man from London. The Bennet family receive him like a good friend especially Mrs. Bennet who'd like one of her five daughters to get married with him. During a ball Jane, the oldest of the five sister, knows Mr. Byngley and everybody says that they are a beautiful couple. On the contrary Elisabeth Bennet is hurt by Mr. Darcy's conceited behaviour. One day Jane goes and sees Mr. Byngley' s family but she falls ill and she must remain there. Elisabeth, who loves her sister very much, goes to help her.
